12.0m wide	3.6m high	6.0m (20 ft) or 12.0m (40ft)
13.0m wide	2.9m high	12.0m (40ft)
15.0m wide	4.2m high	12.0m (40ft)
18.0m wide	4.6m high	12.0m (40ft)
21.0m wide	5.0m high	12.0m (40ft)

The Container Domes Australia range of shelters have been engineer certified to Level of Importance 2, Terrain Category 2, AS/NZS 1170.2 standards and are wind rated for regions A, B, C and D.

As we are so confident in the design and quality of our products, we offer a ten year structural warranty, both on the frame and cover.

Our shelters are designed with an easy, safe installation process in mind while still maintaining superior integrity, quality and strength. All of our frames and covers are to the highest Australian design standards and our ISO 9001 and ISO 45001 certification ensures we are continuously improving our business to meet growing industry and customer expectations.
